2. Cost of entry to the competition shall be determined by the Bowling Committee.
3. Dress shall be Greys as defined in Appendix C, Paragraph 8.2 of the Club Rules.
4. Each match will be played over 18 ends, two points being awarded to the winning team, none to the losing team and, in the event of a draw, one point to each team.
5. The following shall apply when teams have fewer than 3 players:
 - 5.1 The defaulting team with at least two players will have a lead playing with four bowls and the skip with three; the non-defaulting team will have two players using two bowls and the skip using three. The defaulting team will lose 25% of its score, rounded up or down to the nearest whole number, halves being rounded up.
Should both teams have only two players available then all four players play 18 ends with 3 woods and both teams have 25% of their scores deducted.
 - 5.2 A team unable to field at least two players will forfeit the match. In this circumstance, 2 points will be awarded to the non-defaulting team and no points to the defaulting team. No shots for or against will be awarded to either team.
6. Substitutes may be used subject to the following criteria:
 - A substitute must not be a member of any other Tuesday Triple team
 - A substitute must not skip
 - Once a substitute has played for a given team, the substitute may not play for any other Tuesday Triple team.
7. In the event of matches being cancelled or abandoned before twelve ends have been played, those teams involved will be awarded one point each. However, if 12 ends have been completed, the match will be deemed to have been played and, for those teams so affected, the scores will stand at the point of abandonment.
