

PRESIDENT v CAPTAINS

Sunday 15th June 2025

Although the date coincided with Fathers' Day the event was a very successful day. There was the usual "high" standard of bowling ending with a close win for the President and his team scoring 81 shots to 77 for the Captains' side. Many thanks to everyone who helped in the organisation and running of the afternoon. A huge thank you to those who played and supported the Club's fund raising for its charity of the year, Breathing Matters. Haywards Butchers provided the burgers and sausages, which were kindly served by Victor and Ann Armstrong. The Charity received £207-30 pounds from the stall and raffle, and £180-70 from the income for the food after expenses were deducted. Special thanks go to Kevin Yim from "77" Wealth Management for presenting the shield and bottles of wine to all our winners.
